PERDUE® HARVESTLAND® makes it easy for you to offer customers halal chicken. Simply order from our extensive line of halal-certified SKUs—no need to manage more than one product line or pay extra for a halal certification.

What Is Halal?

Halal is an Arabic term that means “permissible.” Meat that is certified halal must be raised and slaughtered per Islamic guidelines.

Halal consumers represent a major market segment, spending \$20 billion on food every year,¹ with chicken being the most common meat noted as halal on menus.²
